## Public Records Request

The City of Hermosa Beach encourages public participation in the governing process and provides reasonable accessibility to all public records except those documents which are exempt from disclosure by express provisions of law or considered confidential or privileged under the law. The City is under no obligation to respond to requests which are not focused or specific. The City may withhold documents which are exempt from disclosure under state or federal law, including the attorney—client privilege or any other applicable privilege. The City, in accordance with Government Code Section 6253(b), has ten (10) days to respond to any request for public documents by indicating whether or not the documents exist and will be made available. Actual production of the documents may take somewhat longer depending upon their ease of availability and staff workload. To assist us in providing a timely response to your request, please fill out the form below and indicate the specific record/document you wish to review.

Re: Public Records Request – 17 June 2019

Dear Records Request Officer:

I was informed that the City Clerk has a file containing all records that matched the search criteria in Hermosa Beach PRR 19-00031

A. Per Attachment A below, the City Clerk's Office it is in possession of a file of ALL records that matched the search criteria in PRR 19-00031

B. Per Attachment B. from the City Attorney's office, I understand the PRR 19-00031 City Clerk's file contains ALL records that match ALL search parameters I provided in PRR 19-00031 from ALL City owned or controlled MAIL DOMAINS.

First, If A and B above are NOT true I request immediate detailed clarification on these points.

Second, Attachment B from the City Attorney clearly implies that all records contained in the City Clerk's PRR 19-00031 file have been reviewed by the City and identified as responsive, non-responsive or flagged As PRA exempt.

***In this PRR I ask that the city provide all records in the City Clerks PRR 19-00031 file that meet the criteria listed below:***

- 1 Records from the aforementioned file that were originated by me and were therefore already in the public domain. This requires no review and should be done immediately.
- 2 Records from the PRR 19-00031 file related to truck route safety, noise, vibration or the associated quality of life impacts to residents of Hermosa Beach, and that were not flagged by the City Attorney's office for a PRA exemption in the previous analysis.
- 3 Records from the PRR 19-00031 file related to the city's existing, planned or defacto truck routes or the use of 27<sup>th</sup> street by commercial trucks; that have not been flagged by the City Attorney's office for PRA exemption.

shedding light on why the 27th collector road that is meant to service only truck traffic in NW Hermosa is now commonly used by trucks to access the downtown business district; without the consequent safety, noise, vibration quality of life or property rights studies afforded under CEQA; that were not previously flagged for exemption.

5 All Records from the PRR 19-00031 file related to enforcement of the direct route laws for commercial truck laws or that speak to the lack of enforcement of direct route laws on 27<sup>th</sup> or Gould or in North Hermosa; that were not flagged for a PRA exemption.

Thank you,

Anthony Higgins
